

MAKE THE FUTURE

Use your coding superpowers to change the world.

Register today for a chance to win the Future Makers Awards.

CodeWeek. 

About The Future Makers Award

Can you think of a problem that affects the world and the people around you? Of course you can. But can you think of a solution? That's the tricky bit. Can you code your way out of the problem and use technology to make the world a bit better and the future a bit brighter?

Fill in an application form below in one of the ten languages of your choice by December 1st.

How to Apply

Step 1: Fill in the application form in one of 10 languages (Czech, Dutch, English, French, German, Hungarian Italian, Polish, Romanian, Spanish) below.
